Dear Merchant Consulting Group:

I wish to congratulate you on receiving an Honorable Mention for the 2010 Green Salem Business Challenge Award. Incorporating green practices into everyday business is good business and you are certainly deserving of this award!

As you know, reducing our environmental footprint, adopting best green practices, and increasing environmental awareness are good business practices - and practices that set a good example for fellow businesses to follow. Best of all, taking positive steps to help our environment now will leave Salem a greener city for future generations to come.

Thank you for being a leader in our community and keep up the good work!

Best regards,
